> Tuesday afternoon at 2pm, sat down in the bar area. Was served water, waiter explained the drink menu and never returned. We sat patiently waiting to give our order, waiter walked by multiple times and we tried to get his attention to no avail. We waited over 20min without any service. Long enough to drink an entire glass of water. Too bad, this was my first time at the restaurant and I would like to have tried the food. But a 20min wait just to have our order taken when it was not busy at all leads me to believe that either poor training or bad attitude from the server is to blame. First impressions are everything. Not a good start Rreal Tacos. Upon deciding to leave, unserved, we were sure to alert the hostess' for our reason for leaving and displeasure of our visit. Can't say we'll be back. No photos of food to share or review. What a bummer.

> Placed an order to go, staff did not give good service as to getting it out to customer for pick up. Took them 20 minutes to pack the food. Host never gave me my order even though they kept eye contact when it was actually ready. 40 minutes for just two burritos is unacceptable. And I purchased two dips that were an extra charge and did receive them.

We arrived and waited almost 30 minutes for the manager to finish a meeting with the servers. At 4 PM on a Saturday! Multiple tables were waiting for service. Our server was great once we finally got waited on. Having a shift meeting during a busy time at a restaurant is ludicrous. Bad management.

All the servers walked out in the middle of the day on Saturday to have a "meeting" All tables are pretty upset. Seems like something that could have been done before or after they open. When we asked the hostess about what was going on she gave us attitude. The manager came by to explain that they do the meeting every day.

Came here with my bf and dad and my dad came some time after and ordered things separately. It was one check and the server never added what my dad ordered. Once it was time to leave they harassed me saying I never paid for what my dad ordered when I had the receipt of my check. The incompetent bar tender JAVIER never added the extra items and the restaurant proceeded to call the cops even after I offered to pay for the extra items. The cops came and took my side, HOWEVER it was the BAR TENDERS JOB to add the items. Never coming here again. This is not how your treat customers!!!!!!!!

I ordered a kid’s cheese quesadilla. For a kid. I should have just taken her home. At this point, we’ve been waiting over 30 minutes for this restaurant to bring my 7-year-old the simplest meal possible for their kitchen to make. Whether or not it ever comes, we are never coming back to this place. Everyone in Decatur, support Raging Burrito instead.

This place has really started going downhill in the last year and I will not be coming back. In my most recent visit, the guacamole was not fresh and definitely tasted rotten. When I told the server this, she said, "ok, I'll let the chef know." What?? YOU NEED TO APOLOGIZE AND TAKE IT BACK AND MAKE A NEW ORDER OR TAKE IT OFF THE BILL AND BRING IT BACK TO THE CARELESS CHEF! The hot sauce bottles are dirty and the sauce oozes out of the sides instead of the squirt end like it's supposed to. The chairs are dirty and have gum and dirt stuck on them. The

tables were very dirty as well. The nachos was basically like a soup with a ton of disgusting liquid queso that made everything super soggy. The waitress was so uninterested and forgetful. I should not have left a tip at all. When you start getting sloppy like this, you're going to start losing customers and it will affect your bottom line. DISGUSTING EXPERIENCE!

I've been to Rreal Tacos many times at different locations (OTP and ITP) with family and friends, and it's usually a great experience. Unfortunately, tonight was very disappointing. We came to this location to celebrate my cousin's birthday, and the service was poor. Our server missed items from our order, didn't check on us properly, and made no effort to acknowledge the birthday. What made it worse was seeing the same server treat another table much better. This was a very uncomfortable and frustrating experience. Based on what we experienced, I would not recommend this location.

Came from Florida to visit this place and i will say…. Not my favorite place. The food was gross. None of us even finished our whole meal and half of us were in the bathroom afterwards once we got home. Not a fan and don't be back.
