🏆 TOP PERFORMERS — A GRADES (90+)

06 · SUGAR HILL ⭐ #1 — 95.72 · A

Week 15 · ↑ **+0.02 vs Wk14**

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION
94.0	91.5	92.0
★ 4.94 stars	1.17% bad	4.6 / 5.0

OVATION RESPONSE TIME	LABOR %	COG + OP %
100.0	90.5	85.7
5.4 min	39.47%	38.55%

✅ **Missing Invoices: 0** — ✅ clean

⭐ **System leader in Sunday score and guest experience.** 4.94 stars — guests love Sugar Hill. Zero missing invoices shows operational discipline. COG (38.55%) and labor (39.47%) are the only areas to push — both strong but have room to tighten without sacrificing what's earning those stars.

📌 **Labor & COG:** Both are the highest among top-4 locations. Focus on scheduling efficiency and portion control — goal is to get both under 35% without affecting guest experience.

07 · BUCKHEAD ✅ #2 — 93.65 · A

Week 15 · ↑ **+0.05 vs Wk14**

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION
92.0	100.0	90.0
★ 4.85 stars	0% bad	4.5 / 5.0

OVATION RESPONSE TIME	LABOR %	COG + OP %
100.0	94.9	89.1
6.2 min	35.09%	35.86%

✅ **Missing Invoices: 0** — ✅ clean

✅ **Zero bad reviews and zero missing invoices — Buckhead is running clean operationally.** Strong stars (4.85), good labor control (35.09%), and solid COG (35.86%). Consistent, reliable, well-managed location. Moving up to #2 on averages.

📌 **Health Score at 80:** Follow up on TPHC SOP submission — was due April 14. Confirm with Andy that it was sent to Reese.

01 · MIDTOWN ⚡ #3

93.22 · A

Week 15 · ↑ **+0.02 vs Wk14**

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION
79.0	**99.5**	**92.0**
★ 4.73 stars	1.64% bad	4.4 / 5.0

OVATION RESPONSE TIME	LABOR %	COG + OP %
100.0	**100.7**	**89.8**
7.47 min	30.42%	31.19%

⚠️ **Missing Invoices: 2** — 6 pts deducted

⚡ **Best labor % AND best COG+OP% in the entire system.** Midtown is the most financially efficient location — 30.42% labor and 31.19% COG+OP is exceptional. Strong overall average (93.22) despite Sunday stars dropping slightly this week (4.73).

📌 **Sunday stars at 4.73 this week** — slightly below Sugar Hill's 4.94. Focus on table touches and guest recovery. Stars are the one area to push.

🔧 **2 missing invoices:** Pull and submit immediately — each missing invoice is a 3-point deduction.

OVATION RESPONSE TIME	LABOR %	COG + OP %
100.0	90.2	89.1
7.4 min	39.77%	35.87%

✅ **Missing Invoices: 0** — ✅ clean

✅ **Zero missing invoices, great Ovation satisfaction (4.6), fast response time (7.4 min), excellent Sunday stars (4.85).** If the bad review rate were below 1%, Duluth would be a strong #1 contender. This team has the operational chops — now fix the one remaining gap.

📌 **Bad Review Rate (71/100, 1.58%):** Actively drive positive reviews from happy guests. As clean weeks stack up, this rolling rate will drop and score will climb toward 95+.

05 · CUMMING ⭐ #5 — 92.17 · A

Week 15 · ↓ -0.03 vs Wk14

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION
100.0	50.0	96.0

92.8	90.9	84.0
22.22 min	39.13%	40.99%

✅ **Missing Invoices: 0** — ✅ clean

⭐ **Best Sunday score (100/100, 4.9★) and #2 Ovation Satisfaction (4.8/5) in the system.** Guests absolutely love Cumming. Zero missing invoices. A 92.17 average shows consistency.

📌 **Ovation Response Time at 22 min:** Assign a dedicated FOH manager to monitor Ovation during service. Goal: under 10 min.

🔧 **Rolling Bad Review Rate (50/100, 4.77%):** Worst in system. Even with clean recent weeks, this needs an aggressive positive review campaign. GM must present a written plan.

03 · CHAMBLEE 📈 #6

91.95 · A

Week 15 · ↑ **+3.10 vs Wk14**

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION

4.41 min	35.8%	40.27%

📋 **Missing Invoices: 1** — 3 pts deducted

🌟 **Most Improved this update — Chamblee jumped from 88.85→91.95 average.** Fastest Ovation response in the system (4.41 min) outside top-2. Good labor control (35.8%). The upward trend is real.

📌 **Rolling Bad Review Rate (62/100, 1.76%):** Wk15 was clean — keep it up and drive positive reviews to bring the rolling rate down.

🔧 **COG at 40.27%:** Trending down but still high. Goal: below 37%. Continue portion control focus.

100.0	95.6	83.8
10.46 min	34.39%	41.19%

🧯 **Missing Invoices: 4** — 12 pts deducted

✅ **Good labor control (34.39%) and solid stars (4.84).** Decatur has the financial fundamentals right. Two specific issues are holding back a higher rank.

📌 **Bad Review Rate (50/100, 2.71%):** Drive positive reviews. Coach team on in-restaurant recovery.

🔧 **4 Missing Invoices — most in the system:** Each missing invoice = 3 points deducted. Pull and submit all 4 immediately. This is the fastest win available.

04 · SANDY SPRINGS 📈 #8 — 91.36 · A

Week 15 · ↓ -0.04 vs Wk14

100.0	**97.7**	**91.4**
1.7 min	32.35%	33.56%

⚠️ **Missing Invoices: 3** — 9 pts deducted

✅ **Best COG+OP% in system (33.56%) and near-perfect bad review rate (0.73%).** West Midtown is running the most financially efficient operation AND protecting its reputation.

📌 **3 Missing Invoices:** At 3 pts each, that's 9 points lost. Submit all 3 now — this is the biggest quick win available for West Midtown.

🔧 **Sunday stars at 4.81** — good but room to grow. Guest experience push could close the gap with Sugar Hill's 4.94.

—	**81.8**	**83.2**
N/A	33.19%	41.78%

🚨 **Missing Invoices: 8** — 24 pts deducted 🏥 **Health Score: 81**

🆕 **Woodstock is officially on the board with an 81.8 average.** Strong Sunday stars (4.91★ — #3 in system!) and solid labor (33.19%). Great foundation for a new location.

📌 **Health Score 81:** Savor Training audits ongoing — implement corrective actions (reheating, cooling logs, sanitizer). Hand sinks fully stocked by May 1.

🔧 **COG at 41.78%:** High for a new location — investigate food ordering and portion control immediately.

🚨 **8 MISSING INVOICES — most in the system by far:** At 3 pts each = 24 points lost on this metric alone. Submit all 8 invoices immediately. This is the single biggest quick win available for Woodstock.

10 · BELTLINE 🚨 #12

78.22 · C+

Week 15 · ↑ **+0.02 vs Wk14**

SUNDAY GLOBAL SCORE	BAD REVIEW RATE	OVATION SATISFACTION
68.0	100.0	72.0
★ 4.68 stars	0.95% bad	3.6 / 5.0

OVATION RESPONSE TIME	LABOR %	COG + OP %
17.0	91.7	90.1
98 min	38.33%	34.93%

📋 **Missing Invoices: 1** — 3 pts deducted

✅ **Two genuine positives:** Good COG (34.93%) and near-zero bad review rate (100/100, 0.95%). Beltline is NOT broken — one catastrophic operational failure is tanking the score.

📌 **Sunday stars at 4.68 (68/100)** — lowest in system. Address the Ovation issues first; as guest experience improves, stars will follow.

🔧 **Ovation Satisfaction at 3.6/5 (72/100):** Review actual Ovation comments — investigate wait times, food consistency, team attitude. Schedule full GM conversation about floor dynamics.

🚨 **CRITICAL — Ovation Response Time: 98 MINUTES (17/100).**
Fix this ONE issue and Beltline jumps to ~88+. Immediate actions:
- Assign manager to own Ovation monitoring every service — starting TODAY
- Set Ovation alerts on GM + all manager phones NOW
- Rule: every alert acknowledged within 5 minutes during service
- GM reports response time daily for next 2 weeks
